Future Champion Clinics

Designed for the aspiring competitive figure skater.

These clinics help the beginning competitor develop their skills in a friendly, supportive team environment. Skaters are grouped together by skill level and work with their instructor on the necessary skills to excel.

For an invitation into this program, please speak with your private lesson instructor or the skating school office.

Competitor's Edge Clinics

Designed for competitive and US Figure Skating test level figure skaters.

Whether you need extra help with IJS Spins or Footwork, Moves In The Field, Jumps or Skating Skills, these clinics help skaters develop their skills in a friendly, supportive team environment.

Skaters are grouped together by skill level and work with their instructor on the necessary skills to excel.

For an invitation into this program, please speak with your private lesson instructor or the skating school office.

Like our Learn to Skate Program, clinics are 30 minute classes offered in 8-week series. Speak with someone in the skating school for skill level groups available.
