Dear Neighbors,

The Town of Oyster Bay has been offering residents the opportunity to view their tax bill online, and we are proud to say that thousands of residents have taken advantage of this feature. The first of its kind in the United States, this system has a verification/validation system to ensure accuracy. For a service fee, residents can also pay their taxes online (a fee is charged by the provider to make credit card, debit card and ACH check payments. The Town of Oyster Bay receives no portion of this fee).

A great feature of this online system is that when residents sign up to view their taxes and opt in to receive email notifications, the Receiver's Office will send you a friendly and timely email reminder shortly before the date your tax payment is due.

To sign up for this service, log onto the Town's website, www.OysterBayTown.com, and click on "View and Pay Your Taxes Online."

We hope you take advantage of this feature, just one more way the Town of Oyster Bay is hoping to make paying your taxes more convenient.
