

The Rinx

TOTAL SKATING PROGRAM

Our philosophy is simple; our staff of experienced and qualified professionals, governed by US Figure Skating, USA Hockey and Professional Skaters Association, will teach the fundamentals of ice skating with a major emphasis on FUN! The Rinx TSP is proud to offer quality programs for every skater, whether young or young at heart, beginner or champion, we have a program for you.

US FIGURE SKATING TOP BASIC SKILLS PROGRAM

Class Descriptions

AGES 3½-5 Years

Snowplow Sam 1-3 classes are for the very beginner to more experienced skater.

SuperStars classes are for the aspiring figure skater or hockey player incorporating Basic 1-8 curriculum for the young skater.

AGES 6-11 Years

Future Champion Clinics

Designed for the aspiring competitive figure skater.

These clinics help the beginning competitor develop their skills in a friendly, supportive team environment. Skaters are grouped together by skill level and work with their instructor on the necessary skills to excel. **For an invitation into this program, please speak with your private lesson instructor or the skating school office.**

Competitor's Edge Clinics

Designed for competitive and

US Figure Skating test level figure skaters.

Whether you need extra help with IJS Spins or Footwork, Moves In The Field, Jumps or Skating Skills, these clinics help skaters develop their skills in a friendly, supportive team environment.

Skaters are grouped together by skill level and work with their instructor on the necessary skills to excel.

For an invitation into this program, please speak with your private lesson instructor or the skating school office.

Like our Learn to Skate Program, clinics are 30 minute classes offered in 8-week series.

Speak with someone in the skating school for skill level groups available.
