Children ages 4-12 can be part of a fun-filled summer of sports, recreation, arts & crafts, theater, day trips and much, much more!

A Message From Town Supervisor John Venditto

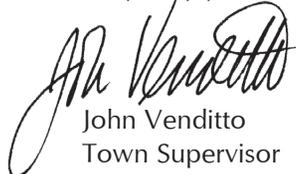

Dear Friends,

Welcome to our 51st Annual Summer Recreation Program. This year's program details some of the wonderful activities the Town of Oyster Bay will be providing for children to enjoy. Open to those between the ages of four and twelve, this fun-filled program is offered at various parks throughout the Town and features many exciting activities, including a Carnival Day, sporting games, trips, special fairs, clinics and so much more. I am also proud to point out that this year marks the 39th anniversary of our Tobay Games, a much loved annual event.

The Town of Oyster Bay Summer Recreation Program is a fun and educational experience for children, where they can make new friends, learn new skills and enjoy all of the pleasures the summer has to offer. This is a great opportunity for children to make some wonderful memories.

On behalf of the entire Town Board, I wish you all a happy and healthy summer.

Very truly yours,

John Venditto
Town Supervisor
