

Town of Oyster Bay 2016 Cleanup Program For Homeowners

Homeowners located within the Town's Solid Waste Disposal District may dispose of accumulated non-hazardous debris on the dates listed below. Proof of district residency is required.

Passenger cars, vans, pickup trucks and small trailers are admitted to the program. Six-wheel or larger vehicles are not permitted.

Residents are encouraged to include large metal items, yard waste and clean broken concrete, all of which will be recycled. Please pre-separate these items for disposal in separate locations at the site.

Campers, boats and boat trailers are also accepted. Proof of ownership of any campers, boats or boat trailers must be provided and signed over to the Town (a notary will be on site to help you with any missing paperwork). The campers and boats must be drained of all oil, gas and other fluids, and all batteries must be removed. Tires and propane tanks accepted.

NOTE: E-waste including air conditioners may also be brought to the Homeowners Cleanup Program.

No hazardous waste will be accepted.
