Greetings From
Town Supervisor
JOSEPH SALADINO

Dear Golf Enthusiast,

The Town offers some of the finest venues for recreation in the nation, including beaches and parks that are second to none. However, many residents consider the Hon. Joseph Colby Town of Oyster Bay Golf Course to be tops on their list. In my opinion there are many things that make a round of golf memorable and the Town does an excellent job of meeting or exceeding the expectations of players. Our prices are competitive and golfers are treated to a quality public course that truly has the feel of an exclusive private course.

For the convenience of all golfers, the Town of Oyster Bay now offers online registration for those seeking a tee-time to play a round of golf at its course. In past years, this service was only available to members. Non-members are now able to reserve their tee-time 7 days prior to the desired reservation. Members are able to make a reservation 30 days prior. We deliver a great experience for all golfers at our course and the online tee-time registration makes the process simple and easy for residents and non-residents.

The Town is extremely proud of our facility and encourage all players to enjoy this outstanding course. Contained within this brochure you will find valuable information on membership, registration, offerings at Lucas Golf Center at the Oyster Bay Driving Range and Pro Shop and the full range of golf services available, including private and group lessons. I hope you find this publication helpful and welcome you to enjoy many great rounds of golf here in the Town of Oyster Bay.

Yours truly,

JOSEPH SALADINO
Town Supervisor
