A Message from
Joseph Saladino
Town Supervisor

Dear Neighbor,

The Town of Oyster Bay's 2024 - 2025 **Distinguished Artists Concert Series** will be continuing into the spring and offering a diverse selection of musical programs. Whatever your musical taste - pop, jazz, doo wop, classical or anything in between - there is something for everyone.

Some of the area's most talented musicians are scheduled to present a delightful assortment of music. Coming up on March 30, **Rhonda Denet and the Silver Fox Songs Trio**, replacing Echoes of Sinatra, will feature their own take on the music of Ol' Blue Eyes. On April 6, **The Mike & Tammi Duo** replacing Sasha Papernik, will present their coffee-house style acoustic versions of favorite songs throughout the decades.

My fellow Town Board members and I are proud to provide residents with some of the finest cultural and performing arts entertainment available. All concerts are free of charge and are held at conveniently-located public libraries throughout the Town. Please take a few moments to glance through the brochure and begin planning your entertainment schedule. We look forward to seeing you at the concerts!

Sincerely,

A handwritten signature in black ink that reads "Joseph J. Saladino". The signature is fluid and cursive.
