### Office of the Town Board

The Town Board, comprised of the Supervisor and six Councilmembers, is the legislative body of Town of Oyster Bay government. The Board has jurisdiction over all matters pertaining to the operation of the Town, exclusive of incorporated villages, and exercises this authority in the form of local laws, ordinances and resolutions. The Town Board conducts regularly scheduled public meetings on matters relating to zoning, public policy and budget matters. Its principal duty is to regulate land-use within the Town in such a way that it advances the health, safety and welfare of the Town residents.

The Supervisor and the Councilmembers are elected on a Town-wide basis. The Supervisor serves a two-year term. Council members are elected to four-year terms, which expire in such a way that on any given Election Day, no more than three full councilmanic terms of office will be decided. In the event the Supervisor or a Councilmember leaves office prior to completion of a full term, the Town Board appoints a replacement to ensure full representation of residents. That person serves until the next regularly scheduled election, at which time voters elect an individual to serve the remainder of the term.

### PUBLIC INFORMATION DIVISION

The Public Information Office, a division of the Town Board, is the Town's press office. The primary function of the office is to inform Town residents about the availability of services and programs through news releases, brochures, pamphlets, radio, television and publication of various Town materials and Town Calendar. The Public Information Office services media in the New York metropolitan area, including approximately 20 weekly newspapers, several daily newspapers and all radio and television stations. Additionally, the Office services online media sources, Long Island trade journals, periodicals and national media. Pamphlets and brochures, available for free at Town facilities and on the Town's consistently updated website and social media outlets, furnish residents with information about Town programs and services.

## Department of the Inspector General

The 2018 Proposed Budget included the creation of a new Town Department, which the Saladino administration pledged to residents as part of ongoing efforts to enhance transparency and ethics in the Town of Oyster Bay. The Inspector General position is responsible for overseeing all aspects of the Town's contracting processes.

The Inspector General is charged with standardizing the Town's purchasing and contract administration; monitoring compliance with all applicable procurement guideline policies, and requirements of federal, state and local laws; providing technical expertise to ensure all contracts, requests for proposals and bid solicitations are posted on the Town's website, and expanding the Town's access to municipal and state electronic systems to verify the qualifications and standing of potential contractors.

## Office of the Town Clerk

The Office of the Town Clerk provides many direct services to Oyster Bay residents. The Oyster Bay Town Clerk is the Registrar of Vital Statistics, Public Access Officer, Recording Secretary, Records Management Officer, Filing Officer, Licensing Commissioner and Election Coordinator with offices in Oyster Bay and Massapequa. As designated License Commissioner for TOBAY our office has the authority to suspend or revoke such licenses if the situation warrants.

As Registrar of Vital Statistics, Town Hall North maintains a complete and accurate recording of all births and deaths within the Town. By Resolution the Town Clerk serves as Marriage Officer and performs wedding ceremonies.

The office is custodian of all Town records, responsible for active files, storage, and disposition of inactive records and the careful maintenance of archival material. We are responsible for the safekeeping of Town historical and legal documents including the original First Purchase Deed drawn in 1653. As administrator of FOIL such records are available to Oyster Bay residents by requests to the Town Clerk.

The office is responsible for Minute Books, the official record of the activities of Town government. The resulting volumes are retained permanently for legal and historic purposes.

The office serves as a United States Passport Acceptance facility. Citizens may apply for their Passports at both offices and the staff is trained to assist with special needs.

Permits issued by the Clerks Office include parking, shellfish, waste removal and senior citizen beach permits. Licenses issued include dog, hunting and fishing, peddlers/vendors, taxi and tow cars, and bingo and games of chance.

Vital Statistics provide birth certificates, marriage licenses and death transcripts.

## Department of General Services

The Department of General Services provides a variety of essential services to all Town departments. The Commissioner is the chief administrative officer of the department with the responsibility for overseeing all departmental operations. The Commissioner also serves as the property officer for the Town, accountable for the inventory of all fixed assets and property. The Department of General Services is responsible for the maintenance of Town buildings, property, TOBAY beach public Wifi access, printing, and the purchasing of services, supplies, and equipment.

### **DIVISION OF MAINTENANCE**

The Maintenance Division is responsible for all building services, including, but not limited to, general maintenance and repair of Town structures. The division is also responsible for the maintenance of two historic sites, the Earle-Wightman House and Raynham Hall Museum. The division's in-house staff performs small construction projects eliminating the expense of hiring outside contractors. Currently, the division is participating in a low energy LED lighting program with PSE&G that will result in a substantial savings in both utility and maintenance cost. Furthermore, the division is exploring all gas conversion rebates and incentives available to replace a boiler at 54 Audrey Avenue in Oyster Bay.

#### DIVISION OF PURCHASING

The Purchasing Division is responsible for the procurement of services, supplies and equipment required for the operation of Town departments through the publication of bid proposals. Purchasing aggressively researches all types of New York State Contracts and inter-municipal contracts for the best possible pricing available. Presently, purchasing advertises most bids under the cooperative purchasing term "piggyback". Simply put, piggybacking is a term often used in purchasing, whereas an entity can "piggyback" off of a bid that was done by another entity. This practice typically generates a lower price from the entity biding, resulting in a cost savings for the Town.

#### DIVISION OF COMMUNICATION/MAIL

The Communications Division is responsible for managing and maintaining all telephone and mail services for the Town as well as Public Wi-Fi access for TOBAY Beach. Working with service providers, the division reviews and audits all billing, purchases and leases, arranges for the installation of new equipment and coordinates repairs of the system. Additionally, the division coordinates and oversees the collection and distribution of all Town mail. Recently, the department has reduced the number of Town cell phones resulting in a cost savings for taxpayers. Some future costs saving initiatives are to consolidate the number of conventional phone lines into our existing SIP circuit. This would reduce monthly reoccurring cost and will afford us the ability of moving phone numbers to different locations without any interruption in services.

### **DIVISION OF INVENTORY/SUPPLIES**

The Division of Inventory and Supplies is responsible for maintaining a comprehensive listing of all Town supplies such as cleaning material, maintenance supplies, and janitorial supplies as well as the Town's entire inventory of fixed assets (office equipment, office supplies, janitorial equipment, maintenance equipment, etc.). Additionally, the division performs the distribution of all inventory and supplies to various departments. Recently, this division has implemented a program that has created the option of reducing the inventory thus saving taxpayers money.

#### **DIVISION OF PRINTING**

The Division of Printing prepares all printed materials required for inter- and intra-departmental use. Printed material for distribution to the residents, such as program information and brochures. Recently, this division has implemented efficiencies to reduce the need for an outside mail house, substantially reducing the cost of mail. Future cost savings initiatives include upgrading our current platemaking machine; this will result in eliminating the necessity of a monthly recurring service agreement. Additionally, the new technology enables us to reduce the amount of stock material required to operate the machine.

## Department of Public Safety

The Department of Public Safety consists of three divisions.

Division of Security – This division coordinates and provides safety and security services for all town residents, visitors and employees. They are responsible for the patrols and the overall security of all town owned property, buildings, parks, beaches, municipal parking lots, the golf course and the parking garage, community centers and town halls. This division provides security at hundreds of town events such as concerts, festivals, sporting events and tournaments, car shows and street fairs. This division also operates the Town's 24/7 Operations Center, which handles resident concerns, monitors the towns extensive surveillance, emergency call boxes and alarm network, as well as the dispatching of public safety officers and bay constables.

Division of Marine Enforcement administers and controls the operation and control of the Bay Constables, who oversees the placement of moorings and navigational aids in Town waters. The division's Bay Constable's offer a wide range of services to the boating public and enforce state laws and town ordinances, particularly with regard to speeding and operating a boat while intoxicated and other serious safety violations as well as hunting and fishing violations. In addition, the Bay Constables, in conjunction with the Coast Guard and the Nassau County Marine Bureau, provide emergency rescue services. The Bay Constables cover the north and south shores of Oyster Bay.

Division of Emergency Management oversees all phases of emergency management for the Town, and coordinates all available Town resources under one umbrella. They actively participate in emergency preparedness, training and response to any natural or man-made disasters such as hurricanes, severe storms, and weather events that may impact the town. The Emergency Management Division also represents the Town at the Nassau County Office of Emergency Management Emergency Operations Center at any large scale emergency activation and serves as the main liaison with state, local and federal emergency managers. This division conducts informational training on hurricane preparedness for the public and town employees.

Through its three divisions, Security, Emergency Management and Marine Enforcement, the department works closely with local, state and federal agencies to address security and safety issues, plan and prepare for disaster response and recovery, and strengthen the town's responder capabilities.

## Parks Department

The Parks Department maintains the many active and passive parks, playgrounds, beaches, and sporting facilities throughout the Town of Oyster Bay. Facilities and programs are frequented by all residents of all ages.

In 2019, the Parks Department continued its program which began in 2017 and upgraded infrastructure throughout the Town. Seven new playgrounds were purchased and more are planned for 2020. In 2019, we continued to improve our community pools with the renovations of all bathrooms and the updating of our filtration systems. We replaced our chlorine tanks at Marjorie Post Park and Syosset Woodbury Park. TOABY Beach had another very successful season in 2019. The brand new Spray Park opened at the beginning of the summer. In 2018, we introduced our Car Shows to TOBAY and they were bigger and better than ever in 2019. The Parks Department was successful in increasing revenue with added programs at the Hicksville Athletic Center, additional ice rentals at the Bethpage Ice Skating facility and increased usage of our fields and equipment.

The Parks Department has continuously reduced the need for outside contractors and consultants - thus saving resources and delivering services through in-house staff.

In 2018, the Parks Department has established a turf replacement program and which continued in 2019 as two turf fields were replaced at Triangle Park in Hicksville and Mustang field in Massapequa; while in 2020, Walker Park in Hicksville and Field of Dreams in Massapequa will be scheduled for replacement.

In 2018, the department began its expansion of Allen Park in Farmingdale. That project was successfully completed during the summer of 2019. The Parks Department is planning on replacing bulkheads at John Burns Park and TOBAY in 2019 and 2020.

The Parks department will be actively seeking a location for a "Dog Park" on the North Shore. Currently, we are proud of our facility on the South Shore and look to construct a similar park for our North Shore.

## Intergovernmental Affairs

The Department of Intergovernmental Affairs is comprised of three Divisions: Community Development, Employment & Training, and Federal & State Aid.

#### COMMUNITY DEVELOPMENT

The Town receives an annual allocation of Federal Community Development Block Grant (CDBG) funding and with use of this funding administers a Community Development program. The objective of the CDBG program is to facilitate the development of viable urban county communities, decent housing, a suitable living environment, and expanded economic opportunities that are to be achieved through the undertaking of eligible activities that fulfill one or more of three board national objectives: (1) to benefit low - moderate income persons; (2) to aid in the prevention or elimination of slums or blight; (3) to meet other community development needs having a particular urgency because of existing conditions that pose a serious and immediate threat to the health and welfare of the communities, and where other financial resources are not available to meet such needs. The Division contributes toward these national objectives through the provision Residential Rehabilitation, Public Housing Rehabilitation, Public Facilities Improvement and Public services as further detailed below:

- Residential Rehabilitation: Assists Seniors (aged 60+) perform necessary improvements to their homes such as new roof, windows, doors, heating systems, electrical systems. This helps to assist seniors in necessary repairs which they may not otherwise be able to afford. It allows them to remain in their homes, and keep the elements out. This is a 75% loan and 25% grant. Residents who are physically challenged can obtain necessary improvements to eliminate architectural barriers; such improvements include stair glides, handicapped accessible bathrooms, and ramps. This is a 50% loan and 50% grant. Residents must financially qualify based on guidelines established by HUD.
- Public Housing Rehabilitation: Provides funding to the Town Housing Authority to assist in necessary improvements to their facilities such as roofs, generators, entry doors, security systems. Residents of Public Housing are mostly low-income individuals and families.
- Public Facilities Improvements: Streetscaping, including decorative streetlamps, new sidewalks, new plantings in low-to-moderate income census tracts within the Town designated by HUD.
- Public Services: Program provides funding for nonprofit public services within the Town. They service low-to-moderate income individuals in a variety of ways including; senior services, youth services, drug and alcohol family services, and veteran organizations.

### **EMPLOYMENT AND TRAINING**

The Employment and Training Division provides a variety of services to eligible residents of the Town of Oyster Bay, the Town of North Hempstead and the City of Glen Cove. The Division receives Federal Workforce Innovation and Opportunity Act (WIOA) funds to provide services to economically disadvantaged adults, youth and dislocated workers.

Services are delivered through American Job Centers in Massapequa and Hicksville. Services available to job seekers include vocational training and assessment, one-on-one counseling, career development seminars, job search workshops, on-the-job training, resume and interviewing assistance, as well as work experience.

A resource room equipped with computers, telephones, fax machines, copiers, printers and job search resources such as books, newspapers, and periodicals are also available. Use of computers allows residents to access the many job search resources and employment opportunities available through the Internet.

#### **FEDERAL AND STATE AID**

Federal and state funded projects vary according to Town needs, program availability and matching requirements. The Town takes advantage of a variety of federal grants including but not limited to the Department of State, U.S. Department of Energy, and the Federal Emergency Management Agency. State grants are from sources such as the Departments of State, Parks, Recreation & Historic Preservation, Environmental Conservation, and Transportation, and the State Emergency Management Office. These funds are earmarked for projects that range from highway and road improvements, environmental preservation projects on the north and south shores, flood mitigation projects, economic development, etc. The Division of Federal and State Aid is responsible for grants management, filing applications for funding, contracts preparation (subject to the Town Attorney review), project management and preparation of vouchers in accordance with federal, state and local rules, regulations and procedures.

Applications for Building Permits can be obtained at the Division (both at Town Hall North and Town Hall South) and on the Town's website www.oysterbaytown.com. Applications for new and existing construction generally must be submitted with two (2) copies of the property survey and two (2) copies of the building construction plans with the stamp and seal of a licensed Engineer or Architect. There are other requirements as well. The Town is proud to offer certain Same-Day Permits as of 2017.

The Division issues Certificates of Occupancy/Completion/Plumbing Approval, regulates the maximum occupancy in places of Public Assembly, performs inspections of multiple residences and maintains property records of all the properties located in the unincorporated area of the Town.

#### **BUILDING DIVISION - EXAMINING BOARD OF ELECTRICIANS**

All electricians must be licensed by the Town. The Examining Board of Electricians is comprised of a chairman and four (4) members, all of whom are licensed electricians and members of the community. The Board meets twice a month to review electrician's applications and administers tests and interviews pertaining to the licensing of electricians.

#### **BUILDING DIVISION - EXAMINING BOARD OF PLUMBERS**

All plumbers working in the Town must be licensed by the Town. The Plumbing Examining Board is comprised of a chairman and four (4) members, all of whom are master plumbers and reside in the community. The Board meets twice a month to review plumber's applications and administers tests and interviews pertaining to the licensing of plumbers.

#### **BUILDING DIVISION - CODE ENFORCEMENT BUREAU**

The Code Enforcement Bureau is part of the Building Division and it is charged with the enforcement of all codes, rules and regulations pertaining to zoning, housing and public safety. It is expressly designed to handle requests of citizens regarding possible violations. All complaints are kept confidential.

#### PLANNING DIVISION

The Planning Division reviews and studies the effects of land use to assure the orderly development of the Town. This includes the review of Town Board zoning applications and Nassau County subdivision maps and site plans. In addition, the Planning Division serves as the administrative arm of the Planning Advisory Board and the Landmarks Preservation Commission, both of which hold meetings open to the general public. The Planning Division also reviews commercial Building Permit Applications for compliance with the Town of Oyster Bay Zoning Code.

### PLANNING DIVISION - PLANNING ADVISORY BOARD

The Planning Advisory Board is appointed by the Town Board and consists of seven (7) members of the community. It is empowered to review applications for projects located in specifically designated zoning districts of the Town and makes site plan recommendations to the Department and/or the Town Board (if necessary).

### PLANNING DIVISION - LANDMARKS PRESERVATION COMMISSION

The Landmarks Preservation Commission reviews all applications for designation of Landmarks. Buildings, sites and districts are selected by reason of historical, architectural or antiquarian significance. Meetings are open to the public. The Commission is also responsible for reviewing and approving alterations to the exterior of properties which have been given landmark status.

#### ZONING BOARD OF APPEALS ADMINISTRATION

The Zoning Board of Appeals is an autonomous body comprised of a chairperson, a vice chairperson and five (5) members, all of whom are members of the community and are appointed by the Town Board. The Zoning Board conducts public hearings, issues variances and exemptions from the Town Zoning Ordinance. In cases where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of zoning regulations, the Zoning Board has the power to vary or modify the application of such regulations so that the spirit of the zoning ordinance shall be observed.

## Intergovernmental Affairs

The Department of Intergovernmental Affairs is comprised of three Divisions: Community Development, Employment & Training, and Federal & State Aid.

### COMMUNITY DEVELOPMENT

The Town receives an annual allocation of Federal Community Development Block Grant (CDBG) funding and with use of this funding administers a Community Development program. The objective of the CDBG program is to facilitate the development of viable urban county communities, decent housing, a suitable living environment, and expanded economic opportunities that are to be achieved through the undertaking of eligible activities that fulfill one or more of three board national objectives: (1) to benefit low - moderate income persons; (2) to aid in the prevention or elimination of slums or blight; (3) to meet other community development needs having a particular urgency because of existing conditions that pose a serious and immediate threat to the health and welfare of the communities, and where other financial resources are not available to meet such needs. The Division contributes toward these national objectives through the provision Residential Rehabilitation, Public Housing Rehabilitation, Public Facilities Improvement and Public services as further detailed below:

- Residential Rehabilitation: Assists Seniors (aged 60+) perform necessary improvements to their homes such as new roof, windows, doors, heating systems, electrical systems. This helps to assist seniors in necessary repairs which they may not otherwise be able to afford. It allows them to remain in their homes, and keep the elements out. This is a 75% loan and 25% grant. Residents who are physically challenged can obtain necessary improvements to eliminate architectural barriers; such improvements include stair glides, handicapped accessible bathrooms, and ramps. This is a 50% loan and 50% grant. Residents must financially qualify based on guidelines established by HUD.
- Public Housing Rehabilitation: Provides funding to the Town Housing Authority to assist in necessary improvements to their facilities such as roofs, generators, entry doors, security systems. Residents of Public Housing are mostly low-income individuals and families.
- Public Facilities Improvements: Streetscaping, including decorative streetlamps, new sidewalks, new plantings in low-to-moderate income census tracts within the Town designated by HUD.
- Public Services: Program provides funding for nonprofit public services within the Town. They service low-to-moderate income individuals in a variety of ways including; senior services, youth services, drug and alcohol family services, and veteran organizations.

#### **EMPLOYMENT AND TRAINING**

The Employment and Training Division provides a variety of services to eligible residents of the Town of Oyster Bay, the Town of North Hempstead and the City of Glen Cove. The Division receives Federal Workforce Innovation and Opportunity Act (WIOA) funds to provide services to economically disadvantaged adults, youth and dislocated workers.

Services are delivered through American Job Centers in Massapequa and Hicksville. Services available to job seekers include vocational training and assessment, one-on-one counseling, career development seminars, job search workshops, on-the-job training, resume and interviewing assistance, as well as work experience.

A resource room equipped with computers, telephones, fax machines, copiers, printers and job search resources such as books, newspapers, and periodicals are also available. Use of computers allows residents to access the many job search resources and employment opportunities available through the Internet.

#### FEDERAL AND STATE AID

Federal and state funded projects vary according to Town needs, program availability and matching requirements. The Town takes advantage of a variety of federal grants including but not limited to the Department of State, U.S. Department of Energy, and the Federal Emergency Management Agency. State grants are from sources such as the Departments of State, Parks, Recreation & Historic Preservation, Environmental Conservation, and Transportation, and the State Emergency Management Office. These funds are earmarked for projects that range from highway and road improvements, environmental preservation projects on the north and south shores, flood mitigation projects, economic development, etc. The Division of Federal and State Aid is responsible for grants management, filing applications for funding, contracts preparation (subject to the Town Attorney review), project management and preparation of vouchers in accordance with federal, state and local rules, regulations and procedures.

## Department of Public Works - Highway Operations

#### HIGHWAY OPERATIONS

Highway Opertions consists of one Director of Operations and four Regional employees, whom have approximately four Foremen with staff that operate equipment for the required tasks throughout the year. These tasks are street sweeping, roadway repair and maintenance, concrete curb and gutter, apron replacement, tree removal, snow removal, grass cutting along Town owned property, and drainage basin maintenance.

### **SIGN BUREAU**

The Sign Bureau maintains all roadside signage and pavement markings along Town-maintained roadways and municipal parking fields. All new installations and replacements of signs are recorded on the card file, which maintains a history of all signs. The Sign Bureau also maintains a file by street and hamlet of parking restrictions and stop signs.

### PERMIT BUREAU

The Bureau of Permits issues permits to residents or contractors for work within the Town right-of-way. This area is designed to be utilized for the necessary utilities required to service a home or business within the Town.

### TREE AND SIDEWALK BUREAU

The Bureau of Trees and Sidewalks addresses resident requests for tree planting and/or removal in the Town's jurisdiction. Additionally, if the sidewalk is unsafe the Town will place the abutting property owner on notice to make the necessary repairs inorder to keep pedestrians that walk along the sidewalk safe from hazards. If the property owner does not conform, the Town will replace the hazard and bill the homeowner on their tax bill.

## Parks Department

The Parks Department maintains the many active and passive parks, playgrounds, beaches, and sporting facilities throughout the Town of Oyster Bay. Facilities and programs are frequented by all residents of all ages.

In 2019, the Parks Department continued its program which began in 2017 and upgraded infrastructure throughout the Town. Seven new playgrounds were purchased and more are planned for 2020. In 2019, we continued to improve our community pools with the renovations of all bathrooms and the updating of our filtration systems. We replaced our chlorine tanks at Marjorie Post Park and Syosset Woodbury Park. TOABY Beach had another very successful season in 2019. The brand new Spray Park opened at the beginning of the summer. In 2018, we introduced our Car Shows to TOBAY and they were bigger and better than ever in 2019. The Parks Department was successful in increasing revenue with added programs at the Hicksville Athletic Center, additional ice rentals at the Bethpage Ice Skating facility and increased usage of our fields and equipment.

The Parks Department has continuously reduced the need for outside contractors and consultants - thus saving resources and delivering services through in-house staff.

In 2018, the Parks Department has established a turf replacement program and which continued in 2019 as two turf fields were replaced at Triangle Park in Hicksville and Mustang field in Massapequa; while in 2020, Walker Park in Hicksville and Field of Dreams in Massapequa will be scheduled for replacement.

In 2018, the department began its expansion of Allen Park in Farmingdale. That project was successfully completed during the summer of 2019. The Parks Department is planning on replacing bulkheads at John Burns Park and TOBAY in 2019 and 2020.

The Parks department will be actively seeking a location for a "Dog Park" on the North Shore. Currently, we are proud of our facility on the South Shore and look to construct a similar park for our North Shore.

#### Department of Sanitation - Sanitary Collection

The Department of Sanitation services over 100,000 residents and businesses in the Town of Oyster Bay collecting an average of 800 tons per day. The Sanitation fleet has over 50 trucks that collect from residential neighborhoods, local businesses, Town parks and beaches and other Town facilities. They collect garbage and rubbish, and have been separating grass, leaves and other yard waste to be financially responsible to the residents as well as being environmentally correct. The E-Waste program has also eliminated costs by recycling electronics. These items are removed from the waste stream saving taxpayer dollars. The Recycling fleet consists of over 20 trucks that also service these same residents, local businesses and Town facilities.
