A Message From Town Supervisor JOSEPH SALADINO

Dear Parents & Educators:

As elected officials we recognize the importance and value of a quality education. We also realize it can be challenging to find quality programs to offer educators to help balance their lesson plans.

For several years the Town of Oyster Bay has provided educational programs to promote environmental awareness to schools throughout the Town. As an enhancement to this already popular program, the Town is now offering a new opportunity for schools to learn about all that our Town has to offer through the Chalkboard Academy, an educational program designed specifically for the classroom.

The Town of Oyster Bay's Chalkboard Academy is a great way to supplement the school curriculum and get valuable information directly from the resources that provide these services – the elected officials and the representatives of the Town.

Be sure to take advantage of the Town of Oyster Bay's educational programs including the new Chalkboard Academy. My Town Board colleagues and I agree they are great services and the perfect opportunity to bring Town Hall to the classroom.

Very truly yours,

Joseph J. Saladino

JOSEPH SALADINO
Town Supervisor

CHALKBOARD ACADEMY

With topics and curriculum designed specifically for the classroom, the Chalkboard Academy was created to help students obtain a better understanding of the mission and responsibilities of Town Government.

The Town of Oyster Bay's elected officials and representatives of the various Town Departments will make topic specific presentations to school assemblies or individual classes in a wide-range of subjects.

The Town of Oyster Bay's Chalkboard Academy is a free community service program that offers knowledgeable speakers to students to bring a new dimension to learning.

Chalkboard Academy Topics

Topics are varied and include, but are not limited to:

- **How Town Government Works**
- **Bicycle Safety**
- **Water Safety**
- **Recycling & Our Environment**
- **Animal Rescue & Adoption**
