Thank ❤ You
Healthcare Workers, First Responders

Dear Neighbors,

I invite you to join the Town of Oyster Bay in thanking local healthcare heroes through our Healthcare Hero Recognition Program. During National Public Health Week, April 5-11, it is our hope to distribute thousands of Thank You letters from residents to frontline healthcare workers who, over the past year, bravely battled COVID-19 at hospitals, healthcare centers and nursing homes. Together, we will let our courageous doctors, nurses, and healthcare heroes know that they and their sacrifices have not been forgotten – in the midst of the most challenging public health crisis of our lifetime.

To participate in this rewarding experience, I ask residents to either create Thank You cards or use the enclosed form. Please return your letter by Friday, March 19th, to ensure their proper distribution. Letters may be mailed directly to Town Hall North, located at 54 Audrey Avenue, Oyster Bay, NY 11771 or dropped off weekdays from 9:00am to 4:45pm at the following locations:

• Town Hall North, 54 Audrey Avenue, Oyster Bay
• Town Hall South, 977 Hicksville Road, Massapequa
• Ice Skating Center, 1001 Stewart Avenue, Bethpage
• Hicksville Athletic Center, 167 S. Broadway, Hicksville
• Dept. of Publics Works, 150 Miller Place, Syosset

If you have any questions or need additional information, please contact Esther Alter at (516) 624-6380 or ealter@oysterbay-ny.gov.

On behalf of our healthcare heroes, I thank you in advance for making a difference in the life of so many of our local healthcare heroes.

Yours truly,

Joseph J. Saladino
