A Message From Town Clerk Richard LaMarca

Dear Friend,

On a daily basis, the Office of the Town Clerk provides many direct services to the more than 300,000 residents of Oyster Bay.

While my office is generally recognized for issuing licenses, that is only a small part of this multi-faceted job. State law mandates many duties, but many more go well beyond those mandates, as this office serves as a major source of information to all.

The Oyster Bay Town Clerk is the Registrar of Vital Statistics, Public Access Officer, Recording Secretary, Records Management Officer, Filing Officer, Licensing Commissioner and Election Coordinator.

A dedicated and experienced staff is ready to assist you at either Oyster Bay Town Hall location or at the Massapequa Annex. The services of local government are only a few minutes from your doorstep no matter where you live in the Town.

As designated License Commissioner for the Town of Oyster Bay, my office not only issues all applicable licenses and permits, but also has the authority to suspend or revoke such licenses if the situation warrants.

As the Registrar of Vital Statistics, this office maintains, in Town Hall North, a complete and accurate recording of all births, deaths and marriage licenses issued within the Town. Furthermore, by resolution of the Town Board, the Town Clerk serves as Marriage Officer and performs civil wedding ceremonies.

My office is also the custodian of all Town records, responsible for active files, storage, and disposition of inactive records, and the careful maintenance of archival material. We are responsible for the safekeeping of Town historical and legal documents, including the original First Purchase Deed drawn in 1653. As administrator of the Freedom of Information Law (FOIL), such records are available to residents by request to the Town Clerk. FOIL guarantees your right to know the workings of government.

In addition, the Town Clerk's Office is responsible for minute books, the official record of the activities of Town government. The resulting volumes are retained permanently for legal and historic purposes.

Additionally, our office serves as a United States Passport Acceptance Facility. Citizens may apply for their Passports at both offices, Monday throughout Friday, 9:00 a.m. to 4:00 p.m. Both locations have all application forms and the staff is trained to assist with special needs.

The Office of the Town Clerk provides residents with a variety of essential services and records. I encourage all residents to contact me should the need arise. We are ready and willing to assist you in any way whatsoever.

Sincerely,

RICHARD LaMARCA
Town Clerk
