SUPERVISOR SALADINO: Good morning, ladies and gentlemen, and welcome to Oyster Bay Town Board Meeting for September 15, 2026.

For those joining us this morning, you'll have an opportunity to be heard on matters brought before the Town Board as well as items that are not related to what we are voting on. Those will be heard at the end of the meeting. Either way, please fill out a slip upfront if you would like to be heard.

As always, this meeting is being live streamed on the Town's website, which is oysterbaytown.com. These proceedings are recorded and later and transcribed. Statements, comments and input from the public relative to our meetings are always welcomed and we always respect whoever is at the podium, so I ask we pay attention. This way there is no talking while there is someone at the podium

1
2 speaking.

3 If you'd like to submit comments
4 online, please email to
5 publiccomment@OysterBay-ny.gov, or you
6 can mail us at the Office of the Town
7 Attorney, 54 Audrey Avenue, Oyster Bay,
8 New York 11771.

9 As most folks who come to our
10 town meetings know, when we became the
11 administration of this town in 2017, we
12 changed up how we begin our meetings.
13 I thought it was very important to
14 begin our meetings with prayer. It's
15 also a phenomenal opportunity to get to
16 know the different religious leaders
17 and get to know the different
18 congregations. Because we are one
19 family in the Town of Oyster Bay.

20 So leading us in prayer this
21 morning is someone who is very special
22 to the Town of Oyster Bay family. He is
23 a great person, a great leader, and he
24 is Monsignor Robert Morrissey of Saint
25 Gertrude's in Bayville. It's nice to

have you here, Monsignor. If you'd
kindly step up to the podium and please
rise.

(Whereupon, all rise.)

PASTOR: Thank you, Mr.
Supervisor. Let us pray.

Loving and gracious God, you are
indeed the giver of all good gifts. And
we come together this day to seek your
wisdom, guidance, courage and strength.
Be with this Board in their
deliberations and help them to be wise
and the decisions they make for the
good of all those who have placed their
trust and confidence in their
leadership. Grant insight to lead with
integrity that their decisions may
reflect what is right and good. Keep us
all from short sightedness and
pettiness. Help us to make decisions
that strive to be for the good of all
and guard us from blind self-interest.

Finally, dear Lord, grant us the
humility to always seek your will in

all that we do and say.

All glory be to you, loving God,
now and forever. Amen.

(Whereupon, all, Amen.)

SUPERVISOR SALADINO: Monsignor,
we appreciate you being here today and
we appreciate you always. Many of us
attended a funeral at Saint Gertrude's
for Jack Kennedy, and we thank you.
That was absolutely beautiful. Jack
Kennedy is the man who put together the
committee, raised the money, took care
of everything from the public
standpoint, to ensure that beautiful
Baymen's statue that has been built at
Theodore Roosevelt Memorial Park. Quite
a man. He got to see the statue even
though he passed before the official
ceremony. His funeral was heartfelt.
We got to know him better through that
process. We got to show our love and
respect for his entire family, his
wonderful wife, and the entire family.
And that's just one example of what you

do. So thank you. Thank you for being a
great spiritual leader and a great
friend.

1
2 SUPERVISOR SALADINO: Leading us
3 in the Pledge of Allegiance. This
4 morning, we welcome U.S. Air Force
5 veteran Kevin Hertel, who served from
6 1999 until 2003. Along with joining
7 Kevin is U.S. Marine Corps veteran
8 Steven Melusa, who also serves as a
9 part of our Town family and the
10 Department of Public Safety. Gentlemen,
11 we appreciate your service to America,
12 and we appreciate the fact that you are
13 clearly, clearly role models in this
14 Town and in this country. Thank you
15 very much for your service, and thank
16 you for leading us today in the Pledge.

17 (Whereupon, the Pledge of
18 Allegiance is said.)

19 SUPERVISOR SALADINO: Thank you.
20 And now let us stand for a moment of
21 silence, remembering our men and women
22 in the United States Armed forces.
23 Remembering all of our emergency
24 responders, firefighters, police,
25 medical, emergency responders,

remembering everyone we have lost on
that fateful day on 9/11 and those we
have lost to 9/11-related diseases and
cancers since that time. We appreciate
all of the public who has been to our
ceremonies and continues to remember
our heroes. May God bless them all.

(Whereupon, a moment of silence.)

SUPERVISOR SALADINO: Thank you.
Please be seated.

So we're joined by people like Kevin Hertel today for a number of reasons, not only to lead us in the Pledge. He and his team are advancing a mission to help raise awareness of veteran suicide. Terrible thing. Unfortunately, Kevin lost his cousin to suicide in 2016, and that was Senior Airman Robert Dean of the United States Air Force.

Kevin is the founder of a nonprofit, Suicide Awareness and Remembrance Flag Corporation. Also known as SAR flag. Through Suicide Awareness Remembrance flag, Kevin designed and created a flag to honor American veterans we lost to suicide and reflect upon the toll it takes upon family members, loved ones and quite frankly, our nation.

Thanks to Kevin's leadership and the good people that he works with in

1
2 this process, including Steven and
3 others, it's so important to raise
4 awareness because we should all be on
5 the lookout for the signs that someone
6 is going through a behavioral health
7 crisis. By doing that, you can get to
8 them and help them to get the help that
9 they need. And that's really what this
10 is all about.

11 SAR Flag also honors the legacy
12 of these veterans who stood up in
13 defense of America's freedom. Perhaps
14 the most important message of Kevin's
15 efforts is that not all wounds are
16 visible. Very important slogan. Not all
17 wounds are visible. And the fact that
18 we say it all the time in this town,
19 freedom is not free. Freedom is earned
20 through the sacrifice of those who put
21 their lives on the line for us.

22 September is recognized as
23 Suicide Prevention and Awareness Month,
24 providing an opportunity time to focus
25 on the unique challenges faced by those

who serve our nation, not only when they're in service, not only when they're in combat, but also when they come home, when it might not be as obvious what they're going through.

So, Kevin, I know you wanted to share a few words about this situation to raise awareness. Would you kindly come up to the podium and not only speak to us in the room, but all who may be watching as we get the message out about suicide prevention.

MR. HERTEL: Thank you, Supervisor Saladino. Thank you all for having me here today. Good morning.

I am an Air Force veteran and I did serve during 9/11. It's unbelievable that it's been 25 years. I'm a board member of the Long Island chapter of the American Foundation for Suicide Prevention. I am the founder and president of the Veterans Suicide Awareness and Remembrance Flag Corporation. But we call ourselves the

1
2 SAR Flag Family. Please note, we always
3 say SAR the same way. We would say
4 POW/MIA.

5 We serve veterans, military and
6 their families regarding suicide
7 prevention. We serve the nation, but we
8 are based here in Long Island.

9 Suicide is the leading cause of
10 death for our veterans and military. We
11 will lose more veterans and military to
12 suicide in one year than all of the
13 casualties from the wars in Iraq and
14 Afghanistan combined going back to
15 2001. We have lost over 120,000
16 veterans and military just since 9/11.
17 But it doesn't have to be this way.
18 Suicide can be prevented. I found that
19 veterans and military have more mental
20 health and suicide prevention resources
21 available to them than any other group
22 in the country. However, on the flip
23 side, those services are vastly
24 underutilized. More than any other
25 group in the country. This

1
2 underutilization is directly due to how
3 we are trained to perceive mental
4 health, suicide and seeking treatment
5 within our warrior culture. It is
6 because of the stigma.

7 I have lost two of my cousins to
8 suicide, one of whom was an Air Force
9 veteran. I created the SAR flag to
10 honor the service and forever remember
11 the lives of those lost to break the
12 stigma, to change the perception, to
13 honor, unite and respect their
14 families, and to be a tangible symbol
15 of hope for our veterans and military
16 to remind our brothers and sisters that
17 they are not alone.

18 The SAR Flag was copyrighted at
19 the Library of Congress in 2019. I have
20 been traveling the country and here in
21 our own backyard to post SAR Flags. And
22 I'm here today to respectfully request
23 the Town of Oyster Bay post an SAR Flag
24 outside on a flagpole to honor and
25 remember to break the stigma to

1
2 facilitate prevention. I respectfully
3 request that the Town of Oyster Bay fly
4 an SAR Flag for the month of September
5 and proclaim September 22nd as Veterans
6 Suicide Awareness and Remembrance Day.

7 When you see the SAR Flag, know
8 that it honors the service and forever
9 remembers the lives of our nation's
10 warriors and defenders who died by
11 suicide.

12 When you see the SAR Flag, know
13 that it creates a community of a
14 surviving family, members of those
15 lost.

16 When you see the SA flag, know
17 that it breaks the stigma of mental
18 health, suicide and seeking treatment
19 within our warrior culture.

20 When you see the SAR Flag, know
21 that you are not alone.

22 On veteran suicide awareness and
23 Remembrance Day on September 22nd, it's
24 a day that we create a community of
25 survivors. It's a day that we elevate

1
2 this issue in the public's
3 consciousness. It's a day we bring this
4 out of the dark and into the light to
5 facilitate prevention.

6 I have dedicated my life to
7 suicide prevention for our veterans and
8 military. And I do this by breaking the
9 stigma. Suicide is tragic and it's
10 terrible, but suicide prevention is
11 not. We must come together to bring
12 this out of the dark and into the
13 light. We must turn our pain and grief
14 into action to speak for those lost,
15 with the goal, to save others from
16 death by suicide. And we'll do this by
17 breaking the stigma. And we'll do this
18 via the SAR Flag.

19 Since we were here years ago and
20 posted the SAR Flag next to the POW
21 flag, Suffolk County has passed two
22 laws, one to fly the SAR Flags at Armed
23 Forces Plaza at the Lee Dennison
24 Building in perpetuity; and, two, to
25 annually recognize September 22nd as a

Veteran Suicide Awareness and
Remembrance Day.

Massachusetts became the first
state in the country to pass that day
of observance into law. And just
yesterday, we were in the Town of North
Hempstead with their town board and
Supervisor Desena, and they passed
legislation that from now on and in
honor of September 22nd, Suicide
Awareness and Prevention Month, they
raised the flag at their town hall
building, and they are going to fly it
for the entire month of September and
every September from now on. Hopefully
we could do the same thing here in
Oyster Bay and post the flag here and
the one in the South Town Hall.

I have two flags here today if
you would like. They're only \$50.
They're made here in the state of New
York. Everything we have made,
including our shirts, our made in
America by businesses that either

1
2 employ or owned by or support veterans
3 and military.

4 I would like to leave you with
5 our motto: We honor. We remember. We
6 will end veteran and military suicide
7 together.

8 Thank you for your time. God
9 bless our troops and their families.
10 God bless our veterans and their
11 families. And God bless America.

12 SUPERVISOR SALADINO: Thank you
13 very much. Right off the bat, we're
14 very happy to purchase these flags and
15 to fly them here at Town Hall North and
16 Town Hall South, or other locations
17 that you would prefer. We are proud to
18 join with you.

19 Before you step away. Can you
20 give us a website that people can go to
21 to get more information on how to look
22 for the signs that a veteran may be, or
23 any person, might be having a
24 behavioral health problems who and may
25 need the help of loved ones.

MR. HERTEL: I would also like to add something to that in addition to the website, so if anybody who is listening or watching this later, the website is SARflag.org.

SUPERVISOR SALADINO: Sar flag.org.

MR. HERTEL: Yes, sir. And at the bottom of each page on the website are four clickable links that you take you to resources like 988, which is a number that you can call 24/7. If you're struggling mentally and you can talk to a trained mental health care professional. It is confidential unless suicide is a fear of completion, then they will reach out to law enforcement. But other than that, if you're having a bad day, you can talk to them.

And I just wanted to add, as the American Foundation for suicide board member for Long Island, I reached out to them a couple of years ago, and they

1
2 are the leading organization in the
3 country since 1987, I believe, for
4 suicide prevention. And I asked them, I
5 said veterans and military are twice as
6 likely to die by suicide compared to
7 the general population; why aren't you
8 doing more? And they said, why don't
9 you help us? And so I became a board
10 member. We worked with veterans and
11 clinicians from around the country and
12 developed a program called Talk Saves
13 Lives Supporting Our Veterans. It's a
14 one hour program that addresses three
15 issues:

16 How do I identify a veteran or
17 military member who is suicidal?

18 What do I do? What do I say when
19 they articulate those ideations?

20 And what resources are available?

21 This is an hour presentation that
22 anyone can be trained to give. I can
23 get them trained. I'm trained to give
24 it. If you want it to be done at a
25 community center for your board, for

1
2 anywhere, your church, I can come and
3 speak. If you care about veterans, it
4 is geared to people who serve veterans
5 and care about veterans regarding
6 suicide prevention. Thank you for your
7 time, sir.

8 SUPERVISOR SALADINO: Thank you
9 very much. We greatly appreciate your
10 efforts to protect our population,
11 especially our veterans who we owe so
12 much to. We owe the two of you and
13 every veteran an enormous amount of
14 appreciation because our freedom, our
15 ability to hold meetings like this in a
16 democracy in America is because of the
17 efforts and the sacrifice of veterans.
18 I share that feeling. That sentiment is
19 shared by all of our town board
20 members, including Rich LaMarca, who
21 has done an outstanding job protecting
22 veterans and veterans organizations
23 throughout Oyster Bay and throughout
24 our town. So I am going to ask Rich
25 LaMarca to assist us as we all make

1
2 this presentation to you. Get it out
3 there in every venue and every platform
4 to help spread the word that there is a
5 way to protect veterans from suicide.

6 Thank you. How about a big hand.

7 (Whereupon, photos taken.)

8 SUPERVISOR SALADINO: Thank you
9 very much for your service. Thank you.
10 Then and now. We'll also put you in
11 touch with public information. Kurt
12 Ludwig to discuss how we can assist.
13 And we also have a veterans support
14 personnel in the Town to connect you
15 with. So thank you for your service.
16 Thank you for what you're doing and
17 know in this town, our residents are
18 very proud of our veterans.

19 MR. HERTEL: Thank you all for
20 your support. Appreciate you.

1
2 SUPERVISOR SALADINO: Folks, I
3 have some brief announcements that this
4 is the perfect opportunity to get
5 across before we begin our Town board
6 meeting.

7 September is National Prostate
8 Awareness Month, and in support of this
9 initiative, Town Hall will be
10 illuminated in light blue through the
11 end of the month. We're also
12 proclaiming September to be Prostate
13 Cancer Awareness Month in the Town of
14 Oyster Bay. Prostate cancer is the most
15 common non-skin cancer Diagnosed in
16 American men and the second leading
17 cause of cancer death among men. Also,
18 early stage prostate cancer shows no
19 physical signs making screenings vital.
20 So it's a great opportunity to remind
21 everyone to get screened for prostate
22 cancer. It's an easy blood test. It
23 can't get any simpler than that. And it
24 is so critical it can save lives. My
25 colleagues in Oyster Bay and the Town

1
2 Board, as well as our receiver and our
3 town clerk, Rich LaMarca, are proud to
4 promote prostate cancer awareness and
5 help shift the focus on the importance
6 of testing in achieving early detection
7 and best outcomes. So, quite frankly,
8 get checked. Make sure your loved ones
9 get checked. The life you save could be
10 someone very close to you or even your
11 own.

12 We also invite the public to
13 donate blood today at the Hicksville
14 Athletic Center from 1 p.m. to 7 p.m..
15 The Hicksville Athletic Center is
16 located at 167 South Broadway in
17 Hicksville. This drive is so critical
18 as it helps local hospitals meet the
19 ongoing demand for blood donation.
20 Every donor -- this is wonderful
21 news -- every donor will receive two
22 complimentary New York Islander
23 tickets. So donate blood and get to a
24 game where they donate blood on the ice
25 on a regular basis in many games.

For those of you who just celebrated the Jewish New Year, we wish you a very happy, healthy, and prosperous New Year ahead. Shana Tova to you and to your families and friends. May you have a very easy, fast.

In other announcements Sunday, our waterfront festival was rained out and postponed, so that will take place on the same location, which is the TOBAY Marina, and that will take place from noon to 4 p.m. this Sunday instead.

Also this Thursday, for those of you who love live music and there's so many of us, we had a fantastic music Under the Stars season. A big thanks goes out to the Department of Community and Youth Services, the Parks Department, the Department of Public Safety, for all of their hard work in bringing about such a successful and fun and entertaining season of top

shelf music. It really was amazing.

So this Thursday night, we hold our last summer blast, and that will be located at Allen Park on Motor Avenue in Farmingdale. The show starts earlier than our typical concerts. It starts at 7 p.m. this Thursday, and the act, Billy Joel's original band, The Lords of 52nd Street. Yes, those very talented musicians who cut the albums with Billy and went on those famous concert tours to make his music the soundtrack of our lives.

Come see Richie Cannata, Russell Javors, Liberty DeVitto and the rest of the Lords of 52nd Street in a free concert this Thursday starting at 7 p.m.. Get there early, bring your lawn chairs and your accouterments to fun and enjoy the last free concert outdoor concert. And then from there, we move our shows indoors as the summer goes on. And people can come wearing their favorite shirt, their favorite

comfortable summer outfit. No need to wear the collar, Father, come and enjoy and your comfortable clothes and join us for the last Summer blast Free show with the Lords of 52nd Street. That's going to be great fun.

With that, that's it for our announcements and our initial program aspect. And then we go right to our town board meeting. If you were here for something other than that, we'll listen at the end of the meeting during public comment. Otherwise, if you need to head out, we thank you for all you do for us each and every day. And God bless you and your congregation, Monsignor. And thank you, everyone.

(Whereupon, above matter concludes, 10:22 a.m.)

21 I mentioned earlier about focusing
22 on those we lost on 9/11 and since. A big
23 thanks goes out to our town and all
24 involved in the many ways in which we
25 have honored veterans, all we lost on

1
2 9/11 and all we have lost since. We held
3 a very solemn program at our monument at
4 TOBAY beach on the Bay side. That was a
5 very special program. It was excellent.
6 And we thank everyone. We had a very
7 large turnout for that. We held a program
8 on the morning of the 11th of September,
9 at the exact time the planes hit the
10 towers at our monument at John Burns Park
11 in Massapequa. Largest crowd I had ever
12 seen there. There was a ceremony in
13 Bethpage recently that I attended with
14 our good friend Lou Imbroto, the
15 councilman, was there. And some of you
16 were there at that ceremony. Thank you to
17 all the communities.

18 Also on the evening of 9/11, another
19 ceremony was held up here in Oyster Bay
20 with Oyster Bay community. Rich LaMarca,
21 thank you for being there, Vicki Walsh
22 and all of our colleagues for taking
23 part. That ceremony was also very, very
24 touching, as it is every year, held at
25 the monument in Theodore Roosevelt Park

1
2 here in Oyster Bay. Ceremonies took place
3 at Hicksville and throughout our town.

4 We appreciate the fact that our
5 residents are patriotic. They are focused
6 on our nation and that we have committed
7 to always remembering those we have lost
8 and continue to lose. It is a great
9 comfort to the families, and we're all
10 appreciative to come together as one
11 family for these ceremonies, and we
12 appreciate the media coverage as well. It
13 sends a very strong message of
14 patriotism. And as we always say, the
15 people have a right to know. We thank the
16 media for all of their good works in
17 letting folks know just how patriotic the
18 time we are and how we continue to
19 remember. Thank you.

20 With that, will you please call our

19 I greatly appreciate the cooperation

21 been going on for our residents. We have
22 had an incredible summer, the parks never
23 looked better. The facilities are up to
24 date, our beaches have been superb. And
25 we are also in that season where there

1
2 are so many fall events going on and we
3 encourage everyone. A flyer went out to
4 the homes. If it hasn't arrived at your
5 home, it will soon, of the many different
6 functions that we have going on. From
7 Oysterfest to the Car show to the
8 Waterfront Festival, the Fall Festival,
9 the Fright Night, which is designed for
10 two different audiences. In the early
11 part of the evening, it's designed for
12 young families. And then they shift
13 things in the later part of the evening
14 for older folks because, oh boy, it's
15 very realistic and very scary. So there
16 are a plethora of great free events for
17 individuals, families and the people of
18 our town, please check out all of them by
19 visiting our website, oysterbaytown.com.
20 It really is fantastic and free, as I
