SUPERVISOR SALADINO: Good morning, ladies and gentlemen, and welcome to Oyster Bay Town Board Meeting for Tuesday, April 14, 2026. For those joining us this morning, you'll have an opportunity to be heard on matters brought before the Town Board, as well as during the public comment period at the end of the meeting. If your comments have nothing to do with items that are specifically on our Calendar, and then wait until the end and we'll call you up for that as well.

These proceedings are recorded later, transcribed, quite professionally, and this meeting is being live streamed. Transparency is very important to our administration and always will be. This meeting is being live streamed on the Town's website, which is OysterBayTown.com.

Statements, comments and input from the public relative to our

If you would like to submit comments online, if anyone would like to do that, even if you have spoken at the meeting, you can still submit comments online, sometimes we think of things afterwards and you can e-mail publiccomment@OysterBay-ny.gov, or you can mail us at the Office of the Town Attorney, 54 Audrey Avenue, Oyster Bay, New York 11771.

We start every meeting, for those of you who are here for the first time ever since our administration came here in 2017, we have started every town board meeting with prayer. We understand the importance of that. Someone said to me, "you can't mix church and state". I said, if it's good enough for the New York State Assembly and New York State Senate, it's good enough for the Town of Oyster Bay. It's also an important way that we

get to know the religious leaders, the congregations, the communities that are so important to this town. And that's, in my opinion, our opinion, one of the important ways that you build family. And in the Town of Oyster Bay, our residents are all one family.

So with that in mind, leading us in prayer today is our good friend, Pastor Rebecca Sheridan of Faith Lutheran Church and School in Syosset; excellent church, excellent school.

If you can, please rise.

PASTOR SHERIDAN: Let us pray.

Good and generous God, we thank you for this beautiful spring day in this season where many of us are celebrating new life and renewal. Thank you for the flourishing of your creation. The budding plants, trees and flowers, the green grass as we marvel at the beauty of your creation. May it inspire us to promote the flourishing of our Town of Oyster Bay.

Bless our neighbors. Strengthen us to serve one another, particularly the poor and least among us.

Remind us of your goodness, especially in challenging times.

In your holy name we pray. Amen.

SUPERVISOR SALADINO: Thank you, Pastor. You're very important to us. You do a great job and obviously do a great job with your congregation as well. So thank you for making the time to join us once again this morning.

And we ask for God's blessings for everyone, including people who are suffering. People who have lost loved ones, and we're keeping in mind all of our blessed people across this town, across the world.

SUPERVISOR SALADINO: Leading us in the Pledge of Allegiance this morning is a very important veteran. He is the commander of a VFW Post 5942 in Plainview. But he's associated with so many veterans groups and organizations from Levittown throughout the Town of Oyster Bay. I'm extremely blessed to call him a friend for many, many years. So we thank commander Jack Stein.

Commander, the floor is yours.

COMMANDER STEIN: I would first like to thank Supervisor Saladino and the Town Board for all they do for our veterans. Thank all veterans for what they do. Hand over your heart.

(Whereupon, the Pledge of Allegiance was said.)

SUPERVISOR SALADINO: Thank you. Commander.

SUPERVISOR SALADINO: I mentioned first responders. We held a press conference yesterday? Two days ago, Jeff?

VILLAGE RECEIVER OF TAXES:  
Yesterday.

SUPERVISOR SALADINO: Yesterday. And what is being promoted is the fact that fire departments are on the leaner side when it comes to personnel for a variety of reasons. I want to take this opportunity to encourage people to visit their firehouses, their open houses, as the statewide program to encourage folks to join the fire department -- Jeff, do you remember the website information.

recruitment. And just to let folks know, first of all, you can join the fire department at any age at all. They might even take somebody as old as me. There's many benefits involved. There are tax deductions on your property taxes, free college at Nassau and Suffolk Community College. I'll say that again. It's thousands of dollars in benefit. Free college. There is an award for longevity in the fire departments. In terms, when you reach retirement age, there are so many different benefits: The training, the maturity, the growth, the responsibility, learning responsibility that comes and, of course, being a hero in your community.

So we're going to continue to help them promote, to get people to come out and join their fire department or at least look into it. Anybody who's spending time at a game console, they can be spending time saving lives and

property as a hero and growing as an individual, an adult at the same time. So I encourage them all.

VILLAGE RECEIVER OF TAXES: And, you know, it's also good for the younger kids, the juniors, to get in there. You can join as young as 15-years-old, gets these kids off the bicycles, riding in the middle of the streets, playing chicken with the cars and get some responsibility. And it really matures these kids, I've known some of these young men and women, boys and girls that became men and women that joined the fire department and became leaders because it shows a sense of responsibility. So it's very good. Get the younger kids involved and then they can grow up to be firemen and firewomen.

SUPERVISOR SALADINO: Thank you, Jeff, and thank you for joining us yesterday, as well as Councilwoman Vicki Walsh. Thank you very much for

It's a lot more than marching in parades. So much more than that. Be a hero in your community.

We have many ways that our residents show that they are heroes, and we are honoring a number of those residents today. So we have a very special presentation and we're very proud to welcome the Board of Directors of the Sabrina Navarretta Memorial Foundation to honor them for the amazing work that they do in the community. I believe this is their symbol, the Sabrina Navarretta Memorial

On hand Today, we are joined by the President of the Sabrina Navarretta Memorial Foundation, John Navarretta; the Vice President, Mara Navarretta; the Treasurer is Andrew Navarretta; and the Secretary is Nicole Navarretta.

SUPERVISOR SALADINO: A little background on Sabrina. Sabrina, who was a graduate of Syosset High School, living here with her family in the town of Oyster Bay, was tragically taken from us in a car accident on April 28, 2023, almost three years ago, while she was returning from a college function as a freshman at the University of Delaware. Heartbreaking. Terrible, terrible tragedy.

But from this -- and talk about the definition of great people and heroes in the community -- they took this tragedy and they are making a

difference. Giving back to the community in very important ways. The family founded the Navarretta Family Foundation, the Sabrina Navarretta Foundation Memorial Foundation to carry forward Sabrina's legacy of kindness, compassion, dedication to others. Very special human being. She loved the outdoors. She loved the water. She had a tremendous zest for life, a tremendous love for her family, community, her friends, her schoolmates, and anyone who was lucky enough to know Sabrina.

So in terms of this work that they're doing, it empowers high school graduates who embody Sabrina's values through scholarships that inspire hope and purpose. Purpose is one small word, but it means so much because these young people will go on to make a big difference in life, not only here in the town of Oyster Bay, but throughout the state, throughout the nation. And

1

2

we know Sabrina will be making a difference because she's going to live on through these scholarships and through the motivation for other young people to make that difference.

And again, a sentence, but it means so much if you're that family. God forbid. But there are people out there who truly care. They're taking their own pain, and they're turning it into compassion and assistance for others. Very special people.

19

20

21

So it mattered deeply to Sabrina to preserve the environment, animal rescue, community enrichment, all the types of things we're involved in. So through these efforts, the Navarretta Family honors Sabrina's beautiful spirit and continues her mission of

 don't you take a moment to address us,

 means, what the foundation means. And  
 then we have a very special award for  
 you, which Councilman Tom Hand, will  
 help us to present to you.

MR. NAVARETTA: First and  
 foremost, supervisor, we wish to thank  
 you and the Town Board for having the  
 honor and privilege of being here  
 today. Your words really hit home.

Just before you were talking  
 about first responders and a volunteer  
 fire department, and I just want to  
 bring to the Town's attention that  
 besides giving, we're up to four  
 scholarships now, we added a  
 scholarship to the Syosset Volunteer

SUPERVISOR SALADINO: Do you remember what the date of that presentation is at Syosset High School?

MR. NAVARETTA: I believe it's June 2nd.

We wish to also thank everyone for your outstanding support. As you, some of you might be aware we have our annual fundraiser, which is a benefit hockey game since Sabrina, even though she never played, she loved to skate and she attended all my hockey games, et cetera; the Islanders and Rangers games. So as the supervisor knows, Buzz Deschamps is very inspirational.

SUPERVISOR SALADINO: Ambassador of hockey.

tremendously along with the town board in organizing and having that event once a year. And it means a lot to us, and we appreciate all your support with that.

SUPERVISOR SALADINO: It's interesting for a few reasons. One, you referenced Buzz Deschamps, who played for the New York Rangers, holds the record for goals scored with the Long Island Ducks, has been a coach, a mentor. The list goes on and on. And just like all of you, he's someone who focuses on making a difference. Just like your family, he is striving to inspire others. And just like Sabrina and the Foundation, this motivation just continues on and on and pays forward. And just like you're doing -- all the people you help, they'll go on and do the same thing, and that ripple effect will grow and grow. And we know that Sabrina is smiling down from heaven and she's so appreciative of

1

what's going on. So we thank you. I actually played hockey in my younger career with with Eric Deschamps, the ambassador's son. What position did you play?

18

19

20

21

22

23

MS. NAVARETTA: Because we're obviously very proud of our sister. So we'd like to thank you. And we have really big roots in this town, in particular in Oyster Bay. And we just met with friends of the Bay Foundation to do some clam seeding and do some environmental restoration because the environment mattered to her a lot.

24

25

And we have a dog adoption coming up because she loved animals so much.

1

2

So I just wanted to thank you all and

3

let you know that we kind of --

4

everything Sabrina stood for. We like

5

to put a hand and help with.

6

SUPERVISOR SALADINO: Your spirit

7

is amazing. We appreciate you all being

8

here and we'll be very happy to know.

9

And I know Sabrina will be too, that we

10

are embarking on building a second

11

clam and oyster hatchery. Right? We're

12

Oyster Bay. So the first one provides

13

about 20 million clams and seeds -- I

14

might be off on the number a little

15

bit. But our goal is to put 100 million

16

clam and oyster seeds back into the

17

waters of the North Shore and South

18

Shore every year. And to have access

19

because they sell out, you can't get

20

the seeds readily in the volume that we

21

need. So ours will be a spawning

22

hatchery that will also do the spawning

23

to breed the the clam seeds and then

24

grow them out to sustainability, which

25

is very important to us. So

So we to join you in, in this all of these pursuits. And we will make sure that we drop the puck and we get it in the goal for you.

Let's all meet down at the rail and make this presentation to you. How about a big hand for the Navaretta Family?

COUNCILMAN HAND: On behalf of the Town of Oyster Bay. I just want to thank the Navaretta Family for all they do for our community. They're an inspiration to all of us. So, in Sabrina's memory, thank you for being here.

SUPERVISOR SALADINO: Ladies and gentlemen, our second presentation, we're very proud to recognize the extraordinary life saving acts that occurred in the Town of Oyster Bay Golf Course just a few months ago.

On November 1, 2025, Carl Badean suffered a sudden cardiac arrest while playing golf on the 16th hole of the Town's course -- which has nothing to do with the Town's facilities (laughter). Carl's Golf instructor, Town of Oyster Bay, Golf Pro, Nicholas Mattia, immediately took action and called for help. Three fellow golfers, Sal LoStrappo, Mike Angelon, and Rich LeWarn, who had been golfing that day, dropped everything and ran very quickly to assist. Collectively, these individuals contacted 911, alerted staff to bring the AED, which we had on the facility and held Carl upright the golf cart while waiting for help to arrive.

Together, these individuals then laid Carl on the ground, performed CPR, rescue breathing and use the AED. At one point, Carl's heart had stopped completely. And because of their brave and selfless actions, his heart was restarted before emergency medical personnel arrived and then, of course, took over. Employees and patrons of the golf course gathered, offering support, offering prayers, offering assistance.

These people, extraordinary people, acted with extraordinary courage and heroism and saved Carl's life. Perhaps if this happened at another time and location, he may not be with us today. But because of the selfless actions that exemplify the best in all of us: Kindness, compassion, the ability to act decisively and immediately and care, tremendous love and care, which we talk about all the time, at this podium and throughout our town, our fellow

citizens, all care deeply about one another, and this sure proves it. Is Carl with us, (applause) stand up, please. Do we have any of the others with us? Stand up.

(Whereupon, Nick Mattia, Sal LoStrappo, Mike Angelone and Rich LeWarn stand. Applause.)

SUPERVISOR SALADINO: I heard a rumor that once you knew that Carl was okay, you all asked to finish your game (laughter). Did they get a chance to come back to the course? Got to give you the opportunity to come back and finish that game.

VILLAGE RECEIVER OF TAXES: I just want to know, like when everybody was running, did the last guy to run over, took his ball and threw it forward (laughter)?

SUPERVISOR SALADINO: So with that, we have these for you.

MR. BADEAN: I'm Carl Badean, and I've been living in Syosset for about 40 years now. On November 1st I was golfing with my friend, and the head pro of the Oyster Bay golf course, Nick Mattia, and my electrical system stopped and my heart stopped.

Fortunately for me, I was golfing on a course where I knew some of the people and some of the people knew me. And sometimes when you see a person go down, your reaction is to move away, but I had people go forward. There's four of them that are responsible for saving my life. I can just say thank you. Thank you so much. The rest of this really doesn't happen because I had the opportunity to meet some of the nicest people, and I'm happy to have had the opportunity. I'm not happy to have my heart stopped. I will try not to do it again.

(Whereupon, Nick Mattia, Sal LoStrappo, Mike Angelone and Rich LeWarn said a few words.)

SUPERVISOR SALADINO: God bless you all. Thank you.

Again, a big thanks to everyone here today, the family of Sabrina Navarretta and, of course, Nick, Mattia, Sal LoStrappo, Mike Angelone and Rich LeWarn. We appreciate you. Thank you very much.

(Whereupon, above matter concludes, 10:49 a.m.)

Attorney.

I apologize because, again, as you all know, you could make this presentation yourselves, but I do need to go through the reason why we're here specifically for the record, and that is that while there are some fire districts in the Town of Oyster Bay that have elected commissioners, there are other districts known as fire protection districts that are not a separate municipal entity, that are actually special districts under the state town law. And in a district such as the Greenvale Fire Protection District, the town board members sit as commissioners for purposes of fire protection.

Annually, we come to you for contracts with both Roslyn Highlands Hook and Ladder and Rescue Hook and Ladder. They provide protection to the residents and those who travel within the area, known as the Greenvale Fire

1

2

Protection area. There are ten

3

municipalities that share the cost of

4

operating the two fire companies. The

5

Town of Oyster Bay is the municipality

6

that pays the least share. We actually

7

pay a shade under 0.6% of the annual

8

costs of those two fire companies. But

9

obviously they protect the residents of

10

Greenvale and those who travel within

11

the Greenvale area, but they also

12

provide mutual aid to our other fire

13

districts within the town.

14

So I would ask the town board

15

approve contracts with the Roslyn

16

Highlands Fire Company in the amount of

17

\$13,184 and the Rescue Hook and Ladder

18

Company in the amount of \$13,476. I

19

would like to point out --

20

SUPERVISOR SALADINO: Can you give

21

me that number again, please.

22

DEPUTY TOWN ATTORNEY: Sure. I'm

23

sorry. It's \$13,184 for Roslyn

24

Highlands Hook and Ladder, and it is

25

\$13,476 for Rescue Hook and Ladder,

1  
2  
3  
4  
5  
6  
7  
8  
9  
10  
11  
12  
13  
14  
15  
16  
17  
18  
19  
20  
21  
22  
23  
24  
25

which we refer to as Roslyn Rescue. And that would be approximately 0.6% of their annual operating costs of each fire company.

In addition, another cost that the town shares is the Length of Service Awards Program (LOSAP), which is a program approved by the residents and voters in that fire protection area. The residents of all ten municipalities had to vote to approve that program, and it provides a benefit to the firefighters when they reach a certain entitlement age. Their maximum right now is \$20 a month for each year of service, and it's a relatively low number of years when compared to the other fire companies. The state law now allows up to 50 years of firefighting service to be awarded through the LOSAP program. Greenvale is nowhere near that, but we estimate that cost to be less than \$20,000 in the calendar year 2026.

1

2

3

4

5

6

7

8

9

10

11

12

13

14

15

16

17

18

19

20

21

22

23

24

25

And lastly, as part of these contracts, the Town is required by New York State Law to provide, or I should say, municipalities are required to provide what is, in essence, a workers comp program for the volunteer firefighters. It's called the Volunteer Firefighters Benefit Law and Insurance Policy, and it is paid by the municipality where the headquarters of the fire company sits. And in this case, they do not sit in the Town of Oyster Bay. We do not buy that policy for them, but we are required to reimburse the municipality that did lay out the money to protect those firefighters, and we estimate that cost to be less than \$10,000 to the Town in calendar year 2026.

And I will point out that it is only the property owners, the residents, the commercial businesses within the Greenvale Fire Protection District that bears these costs. So it

1

2

is not not part of the general fund.

3

It's not paid by a taxpayer in Syosset

4

or Massapequa. They are paying their

5

own fire protection costs. These costs

6

are borne by the property owners in the

7

Greenvale Fire Protection District.

8

And if acceptable to the Town

9

Board, we would ask that you approve

10

these contracts later today as

11

Resolution 286 of 2026.

12

SUPERVISOR SALADINO: Okay, two

13

questions that you know the answer to.

14

You know, I'm going to ask already.

15

This is being done because of state law

16

and the fact that these are among the

17

oldest districts on Long Island. And,

18

therefore, we are the de facto board of

19

commissioners to those fire

20

departments. We don't deal with the

21

operations and their budget, but they

22

do utilize us for public votes and

23

representation.

24

DEPUTY TOWN ATTORNEY: Absolutely.

25

They are actually not for special, not

1

2

for profit fire corporations under New York State Law as opposed to a municipal entity. And as a result, yes, Supervisor, you sit as a de facto --

3

4

5

6

7

SUPERVISOR SALADINO: We're doing this because of New York state law. And when they were formed way back when.

8

9

10

11

12

13

And secondly, if passed, these costs will only be borne upon those residents who live within that district and receive the fire protection of that specific district.

14

15

16

17

DEPUTY TOWN ATTORNEY: Residents and taxpayers. I always forget to mention the commercial property bears that cost.

18

19

20

SUPERVISOR SALADINO: My questions are answered. Does anyone else have any questions?

21

(Whereupon, no one responded.)

22

23

SUPERVISOR SALADINO: All right. Then is there any correspondence?

SUPERVISOR SALADINO: Would anyone like to be heard on this hearing?

(Whereupon, no response.)

SUPERVISOR SALADINO: Please let the record reflect that no one has indicated they would like to be heard.

May I have a motion, please?

COUNCILMAN IMBROTO: I move that this hearing be closed and be voted on today.

COUNCILMAN HAND: Second.

SUPERVISOR SALADINO: All in favor, please signify by saying Aye.

(Whereupon, the board responds in favor by saying 'Aye').

SUPERVISOR SALADINO: Those opposed?

(Whereupon, no response.)

SUPERVISOR SALADINO: The Ayes have it.

Thank you.

SUPERVISOR SALADINO: Would you please call the second hearing.

TOWN CLERK: The next hearing today is to consider the 2026 fire protection contract for the East Norwich Volunteer Fire Company.

DEPUTY TOWN ATTORNEY: Good morning, supervisor, members of the town board. Elizabeth Faughnan, Deputy Town Attorney, Office of the Town Attorney. And very briefly, I would ask that you incorporate the comments from the prior hearing with respect to the Greenvale Fire Protection District with respect to the reason why we're here, be incorporated into this hearing.

(Whereupon, refer to 04.14.2026 TOBAY Town Board Meeting, Hearing 1 transcript.)

But very briefly, for purposes of this record. Just to restate it, we are here because New York state law requires us to be here. The East Norwich Volunteer Fire Company is a not

for profit corporation in a fire protection district without elected commissioners in a fire district. The town board sits as commissioners of the Fire Protection District. The costs of the annual operations of the East Norwich Volunteer Fire Company are borne by four municipalities. The Town of Oyster Bay pays a shade over one third; we pay 33.56% of the annual operating costs. The Villages of Muttontown, Upper Brookville, and Brookville also bear the cost of operations.

And at this time, as we do every year, we would ask the Town Board enter into a contract with the East Norwich Fire Company in the amount of \$508,380. I will point out we are not requesting a separate allocation for the (LOSAP) Length of Service Award Payment, because that is incorporated into the contract amount and the annual budget, and also the Town of Oyster Bay

1

2

purchases the volunteer firefighter

3

benefit policy, because the East

4

Norwich Fire Company sits in the Town

5

of Oyster Bay. So that cost has already

6

been paid and approved by a separate

7

Town Board resolution.

8

And if acceptable, I would ask

9

the Town Board approve this contract

10

today as Resolution 287 of 2026.

11

SUPERVISOR SALADINO: Okay. Since

12

this is a separate hearing, I'll ask

13

those questions again. This is being

14

done because of state law, because the

15

older districts go so far back in time

16

that the Oyster Bay Town Board acts as

17

their commissioners, in essence,

18

correct?

19

DEPUTY TOWN ATTORNEY: Correct.

20

SUPERVISOR SALADINO: And if

21

passed, the costs will be borne by only

22

the residents and businesses within

23

that district?

24

DEPUTY TOWN ATTORNEY: Correct,

25

Supervisor.

SUPERVISOR SALADINO: Okay. Is there anyone who would like to be heard on this hearing?

(Whereupon, no response.)

SUPERVISOR SALADINO: Please let the record reflect that no one has indicated they would like to be heard.

Is there any correspondence?

TOWN CLERK: There is no correspondence on file, Supervisor, but we do have affidavits of posting and publication.

SUPERVISOR SALADINO: Okay. With that, may I please have a motion?

COUNCILMAN IMBROTO: I move that this year be closed to be voted on today.

COUNCILMAN HAND: Second.

SUPERVISOR SALADINO: All in favor, please signify by saying Aye.

(Whereupon, the board responds in favor by saying 'Aye').

SUPERVISOR SALADINO: Those opposed?

SUPERVISOR SALADINO: Would you please call the third hearing?

TOWN CLERK: Today's final hearing is to consider the 2026 Fire Protection Incorporated Village of Farmingdale for the Farmingdale Fire Department.

DEPUTY TOWN ATTORNEY: Good morning, supervisors and members of the Town Board. Elizabeth Faughnan, Deputy Town Attorney, Office of the Town Attorney.

Last, but not least, I bring you the contract with the Incorporated Village of Farmingdale for the services of the Farmingdale Village Fire Department. And for purposes of the record, I'll be very brief. I know we can incorporate the comments made in the prior two hearings with why we're here.

(Whereupon, refer to 04.14.2026 TOBAY Town Board Meeting, Hearing 1 and 2 transcript.)

New York State Law requires that

the town board members sit as the de facto commissioners in a fire protection district. This is slightly different. This is a village fire department. It is an entity of the Village. Just as they have a parks department, they have a fire department.

However, their protection area includes 169 homes or businesses within the Farmingdale Fire Protection District in the Unincorporated Town of Oyster Bay. So annually, we enter into a contract with the Village to pay for our share of the fire protection services to the residents in the Unincorporated area of the Town of Oyster Bay, known as the Farmingdale Fire Protection District. We pay approximately 7.89% of the annual costs of operating that Village Fire Department.

And I will point out that the Losap program for those firefighters is

administered and sponsored by the village. So our share of that cost is included in the contract. And because the municipal headquarters of that fire department are in the Incorporated Village of Farmingdale, they procure the volunteer firefighter benefits policy. And again, our share of that cost is included in the contract. So when you're comparing, sometimes it's it's apples to oranges simply because of where and how things are handled, all pursuant to state law.

And I'm going to head the Supervisor up at the pass and let you all know that only the 169 homes and businesses, the property owners in the Farmingdale Fire Protection District will bear the cost of this contract, which we are requesting in the amount of \$122,900 for Calendar Year 2026.

SUPERVISOR SALADINO: That's everything. Does anyone have any questions?

SUPERVISOR SALADINO: We actually  
do for Resolution 285.

Doug, would you like to join us?

MR. AUGENTHALER: Good morning. My  
name is Doug Augenthaler  
A-U-G-E-N-T-H-A-L-E-R. I live 28 Cedar  
Lane North in Glen head.

This is not the place I prefer to  
be today; it's my 72nd birthday. I'm  
back here because it's important to be  
here.

SUPERVISOR SALADINO: And you had  
that focus through this entire process.  
Now, just so people understand, we have  
presented -- we did our hearing on  
extending our best battery energy  
storage system moratorium for another  
12 months. We have had many residents,

some here today, who have supported this. I don't think we've had -- I can't think of anyone who hasn't supported it in terms of the residents have either asked for a very high level of safety precautions or have supported this moratorium entirely, you be one of them. So please proceed.

MR. AUGENTHALER: Thank you. I'm starting in a hot place, just yesterday in Perth, Australia. There's a massive battery fire. Eighty tons of solid state lithium ion batteries in a recycling facility in flames. A lot of these batteries, which will appear soon are LFP batteries. Lithium iron phosphate. That's called solid state battery. That's the new battery technology that they want to bring these battery storage facilities. That's the new battery technology that they say is so much safer than the old battery technology. Massive fire. It's not safe. Highly flammable. The battery

chemistry simply is not safe.

Second point. April 9th. Big Valley Nursery in Glen Head. Large fire, four alarms, 150 firefighters from 19 departments: Seacliff, Glen Cove, Locust Valley, Roslyn Rescue, Roslyn Highlands, East Norwich, Syosset, Oyster Bay, Port Washington, Bethpage, Manhasset/Lakeville, Westbury, Carle Place, Plainview, Farmingdale, Great Neck, Albertson, Mineola, and Williston Park to address one fire at a nursery. What's going to be necessary for a battery fire? It's not a matter of the training that the state wants us to impose on. It's a matter of we don't physically have the manpower to address these fires, period. The state should be killing this. You should be killing this. Everybody should be killing this. This is insanity.

SUPERVISOR SALADINO: Well, you realize we are doing everything in our

legal power and the state of New York is taking things in a different path. And I'm assuming you're very unhappy with the governor's choice in the State of New York.

MR. AUGENTHALER: Right. So I understand what you've been doing, and I thank you for that. So it's not a criticism of what you're doing. It's just important to focus on these things and to get these messages out.

Now, in regard to the moratorium. I went to the Nassau County Planning Commission after your last meeting. And they granted this moratorium extension for a year because it was the first one since the new regs were put in place by the state. But they made it very, very clear there's no more extensions after this. This is it. They want something better. The bar is being set --

SUPERVISOR SALADINO: Just so the public understands. Someone may have told you that. That is not our opinion

in this town. We stand with our residents 100%.

MR. AUGENTHALER: I appreciate it.

SUPERVISOR SALADINO: Even if it means going to court. And we've proven that.

MR. AUGENTHALER: And I appreciate that. Bottom line is these batteries are not safe. They can't be used. The ad on here is Propel is coming to a head right now. I want to implore the Town of Oyster Bay to get together with the Town of Hempstead, the Town of North Hempstead with Nassau County and tell them to pound sand. Stand up for the residents of Nassau County. This is an unreasonable, unnecessary project. They are building new power facilities in Northport, in Shoreham, wherever. That's where the cables are going to be needed. Not here. We need your help. We need you to stand up for us. As residents we've been involved in the process. We don't have the money to

proceed through litigation. We need you to do that for us. Thank you.

SUPERVISOR SALADINO: Thanks so much. We're proud to stand with our residents and protecting them. We feel very strongly. We held hearings, listened to the professionals in fire, medics in community safety. People have done research about these issues and fires throughout the country and beyond, and it has been very clear to us, based on the data given to us, that the firematic professionals have informed us that there is not a way as of yet to put out these massive fires. So public safety is number one.

And the next person I'm going to call up understands that.

COUNCILWOMAN WALSH: And by the way, happy birthday. Thank you for starting your day with us.

So to that we're also going to listen to Christine Panzeca.

Good morning. How are you today?

MS. PANZECA: Good morning, Town Supervisor and Board. Christine Panzeca Union Avenue, Glenhead.

I want to start off by saying I thank each and every one of you for listening, for looking at the facts, and for being the first to act, to protect, residents here in Long Island as well as Nassau County.

As you may or may not be aware in the last week or so, Long Beach has put forth their law, where there will be nothing over 80 kilowatt hours and no utility scale battery storage within the City of Long Beach. And I think they acted expeditiously with that.

I also want to make sure that as we move forward, moratoriums can't last forever, we are thinking about zoning, and we're thinking about all the creep that these companies are doing when

they apply with their applications to the town, because it seems like, if you look at what's going on in Suffolk County, they apply for battery storage, and then they come in for variances about storing chemicals and other things of that nature. So I think we need to be expeditious and look at what's going on in other communities and think about zoning, because putting thousands of gallons of petroleum distillate and other hazardous chemicals in the ground, in tanks near our waterways, near our wells is probably not environmental. And it's not a smart move. So I would ask you to think about those things as we move forward.

And from the bottom of my heart and from residents that I speak to almost daily now with regards to Propel as well as battery energy storage, we want to thank you. And we're very proud to be working with a town who cares

about our residents. And it's up to us as residents and those we've elected to save our suburbs, our quality of life, our environment and the place where we call home and choose to raise our families and protecting their health and safety.

As Doug mentioned, Propel is trying to move forward. I would like to make you aware. I received their materials, their marketing materials in the mail. They're using your images in their marketing materials. So I do you want to make you aware of that fact. I have a copy of the brochure if you guys need a copy.

SUPERVISOR SALADINO: Interesting. I'd love to see that. Does the way they have designed these, this brochure, does it give the impression to the casual reader that we are in favor of their proposals?

COUNCILMAN IMBROTO: Yes, it does.

COUNCILMAN IMBROTO: I saw it and it definitely does.

MS. PANZECA: It's about working with the community and community outreach. And they took an image of yourself and Mr. Imbroto at an event that was unrelated to the project and put your image into their flier.

SUPERVISOR SALADINO: So we'll have to have a conversation with them about that. And I know for myself, and I'm assuming for Lou as well that the fact our image has been used in a flier may be legal, but it does not mean that we are in support of their proposals, especially in the way in which they are proposing.

MS. PANZECA: So once again, thank you for all that you do. From the bottom of my heart, from that of my family, and from tons of residents across the township that we talk to on a daily basis.

SUPERVISOR SALADINO: Well thank you. Two questions, please, if you don't mind.

MS. PANZECA: Absolutely.

SUPERVISOR SALADINO: I'll be brief.

First of all, I'm going to assume because you've said it so many times that you are in favor of us passing another moratorium, this one for 12 months on battery energy storage systems.

MS. PANZECA: Absolutely.

SUPERVISOR SALADINO: And the second question, you're out there in the community constantly talking about this subject, have the vast majority of the residents of the Town of Oyster Bay that you speak with, are they also in lockstep with you in wanting us to continue this BESS moratorium.

MS. PANZECA: From the residents that I speak to, yes. But there are many residents who are alarmed that

SUPERVISOR SALADINO: Okay. Thank you for being with us. Not only today, but now for months and months on this crusade to protect the residents. And we thank you, too.

Happy birthday.

MS. PANZECA: Thank you all for all that you do.

SUPERVISOR SALADINO: God Bless. Is there anyone else who would like to be heard on any of the resolutions on today's Action Calendar?

(Whereupon, no response.)
